

**Objective :** Digital monitoring and alert project for 4 melting operations at 1 furnace

**Investment :**

₹29,184 / month + ₹3.4L (one-time Setup)

**Key Points:**

- Hardware rental included in the price
- AMC is not required

**Inclusions:**

- Furnaces : 1
- Operations: 4 (Temperature Check, Deslagging, Bath-Sample, Tapping)
- Features:
  - Live Operation Detection
  - Console Alert when Operation is Missed and Alert Management
  - Console Alert when SOP Sequence is skipped
  - PDF Report - Violation Summary (Missed Sequence and Missed Operation)
- Setup (One-Time) Sensor, Compute, Networking, Site Specific Setup
- Hardware

**Exclusions:**

- Cabling (data/power cables)
- No dedicated Console devices are provided (your existing melting area machines/laptops are good enough)

**Notes:**

- Quote valid until 26/09/26, or our capacity gets full: whichever comes first
- GST not included in the quote
- This quote is for alignment purposes and not comprehensive for contractual purposes.
